Remote Working Policy 2026

Arrangements, expectations and equipment for working away from the office

Eligibility

All colleagues whose role permits it may work remotely by agreement with their line manager, subject to business needs.

Equipment

The company provides a laptop and monitor for home use. Broadband and utilities are the colleague's responsibility.

Availability

Colleagues are expected to be reachable during core hours (10:00–16:00) via the usual channels.

Data & security

Company laptops must be kept locked when unattended. Sensitive documents must not be printed at home.

Wellbeing

Take regular breaks and set clear start/end boundaries to protect your wellbeing.
