

Fire Safety Procedure

What to do on hearing the fire alarm at any company site

On discovering a fire

Raise the alarm at the nearest call point. Do not attempt to tackle the fire unless you are a trained fire warden.

On hearing the alarm

Leave the building immediately by the nearest safe route. Do not use lifts.

Assembly point

The primary assembly point is the pavement outside the main entrance. A fire warden will take a roll call.

Do not re-enter

Do not re-enter the building until an all-clear is given by the fire marshal or emergency services.

Wardens & drills

Fire wardens are named on the notice board. Drills are held twice a year without prior warning.
